

## ***PUBLIC SERVICE ANNOUNCEMENT***

### **Temporary Closure of Main Entrance at Golden Heights Manor**

**November 8, 2019 – St. John's, NL:** Eastern Health advises the public that beginning on Tuesday, November 12, 2019, the main entrance of Golden Heights Manor in Bonavista will be closed to residents, visitors and staff due to a repair project being done on the entrance columns and overhang. The project is expected to take approximately seven weeks, during which residents, visitors and staff are directed to use the building's side entrance facing the harbour.

Signage will be in place directing residents, visitors and staff to the alternate entrance.

Construction will occur daily from 7:00 a.m. – 7:00 p.m., with workers on-site between these times. Normal safeguards will be in place; however, residents, visitors and staff are advised to proceed with caution in the main entrance area, and to expect some noise and disruption.

Eastern Health thanks the public and staff for their cooperation and apologizes for any inconvenience this may cause.
